Deadline: **Wednesday, January 5, 2022 at 11:59 PM**

Instructions: This file includes fillable form fields. Complete the form and save to your computer or device with a new name.

Applicant and Principal Investigator Information

Applicant Name Degree JHU School Department & Division

E-mail Ten Digit Phone Status Title

PI Name (Only complete if different from the applicant, must be JHU faculty) Degree JHU School Department & Division

E-mail Ten Digit Phone Status Title

Project Information

Project Title

IRB Research Protocol Number, if available clinicaltrials.gov Number, if available

Human Subjects Involved?	Children Involved?	Animals Involved?	Proposal Type
Yes	Yes	Yes	
No	No	No	

Enter a single, proposed start date for the grant (02/07/2022 through 06/30/2022, MM/DD/YYYY format)

Lay Language Summary

Include background, methods, and potential health or impact. Do not include citations.

Relevance to Fisher Center Goals

What is the project's relationship to environmental infectious diseases and/or COVID-19/SARS-CoV-2?

Explain why this proposal lacks traditional funding mechanisms and how important FCDP funds are to the proposal

How does this project promote novel, cross-disciplinary, collaborative clinical research within and outside Johns Hopkins University?

How does this project facilitate the careers of early career investigators?

Other existing, pending or planned research support (internal and external) for this proposal. Include the name of the source and the monetary value. Include ICTR requested non-monetary services. **Write NA if support from non-FCDP sources is not anticipated.**

Additional Research Team Personnel

Include all additional members of this research team not listed as Applicant and PI. Include co-investigators, nurses, technicians, lab personnel, etc.
